Title:	Kristoffer Dahlberg appointed CFO of Aker Clean Hydrogen

Kristoffer Dahlberg has been appointed Chief Financial Officer of Aker Clean Hydrogen, effective 15 June, 2021. Dahlberg joins the company from Aker BP, where he was most recently Vice President, Business Controlling.

He previously held various roles at Boston Consulting Group, Sparebank1 Markets and RS Platou Markets.

"We are very pleased to welcome Kristoffer to Aker Clean Hydrogen, where he joins a fast-growing team of people who are eager to realize major hydrogen projects in Norway and abroad," says Knut Nyborg, Chief Executive Officer of Aker Clean Hydrogen.

Dahlberg holds an MSc in Financial Economics from the Norwegian School of Economics and Business Administration (NHH). ENDS
